Chapter 1 by Story Wars

Pain, all I know is pain. Everyone would beat me up while saying something about me breaking up with Alex and beating her up 3 hours after breaking up with her. Everytime I try to figure out why everyone is beating me up they would just say "Oh, you know why", then shove me to the ground and kick me. I don't know why they beat me up, or even why they burnt my house down. I remember when I was asleep, I smelled smoke. Then, when I sat up I looked at my window to find what looked like somebody threw a molotov at my window. It had started a fire in my room. The police said that it was definitely arson.
